Spring 2 Term

Welcome back!

We hope you have all had a lovely holiday. We are delighted to be welcoming your children back to school and hope that they feel excited about the amazing learning ahead.

Foundation Learning

In History this half term, we will be learning about how Greenwich is a maritime town and we will learn what it was like to be a sailor in the past. In DT we will be micro habitat making. We will create a suitable product that attracts more woodland creatures into our environment. In Science, the children will study plants and investigate what plants need to grow. They will also learn the difference between a seed and a bulb. In RE, the children will learn more about the Christian church and what we might find inside. We will also be doing some coding in computing.

English

In English, we start by looking at the book "The Midnight Panther" and use it to write a story. We will also be writing some poetry using the poem "Hurt no Living Thing" for stimulus and we will finish our English sequence for the half term looking at the story "The Princess and the White Bear King" and use this story to write a narrative.

Maths

In maths we will continue to develop our number and reasoning skills. The children will regularly be practising methods to add/subtract two 2-digit numbers as well as practising to divide and multiply. This term we will learn about measurement including length and height where the children will learn to measure objects with a ruler. We will also continue to do our daily maths mastery lessons.

Home Learning

We recognise the importance of learning at home and our Home Learning Journal enables children, parents and teachers to communicate regularly. One of the most important ways to help your child is to read with them and listen to them read. Please also encourage your child to log onto Numbots and Times Tables Rockstars regularly to improve their number skills. We also recommend they practice their spellings for the week every night.

PE Kits

Children will continue to have PE twice a week and it is important that they bring in their **PE kit** at the beginning of the week for both sessions.

Thank you for your continued support,

Mrs Williams, Miss Galley and Mrs Cam.
