

Parent/Carer Meetings – Summer Term

Below is a list of meetings available for parents and carers to attend this term.

We offer a range of workshops that provide information, support and guidance to parents and carers. Some of the sessions will help you to understand how the children are taught certain subjects and what you can do to help at home. When possible, we will put a copy of the slides onto our website in case parents are unable to attend and would like to view them at a later stage.
